Re: U.S. EPA Region 8 Request for Information Pursuant to Section 3007 of the Resource Conservation and Recovery Act (RCRA)

Dear Mr. Green:

As a follow-up to an EPA visit with you at Green's Junkyard and Salvage located at 7716 BIA Route 1, Wolf Point, Montana (facility) performed on July 29, 2015, we sent you an information request letter dated December 10, 2015, to which you responded in your April 15, 2016, submittal. We have reviewed your responses and are requesting that you respond to the questions below no later than thirty (30) calendar days after your receipt of this follow-up letter. The terms of this follow-up letter are the same as those listed in the definitions section of our initial request letter dated December 10, 2015. "E2" refers to Enclosure 2 of the initial request letter and the number after the dash refers to the specific question to which the EPA requests a response.

- 1) E2-3: Please provide disposal records for the last two years for offsite disposal of batteries.
- 2) E2-8: Please provide further details on your use of a bailer to crush cars. Specifically, provide the manufacturer and size of the bailer and the location on your property where this crushing activity was conducted. Please specify exactly how you managed the contaminated soils, including where they were stored and ultimately disposed of. Also, include your plans to further crush cars and the method to be used to ensure that fluids are properly drained prior to crushing and contained after crushing.
- 3) E2-11: Please describe the container in which the mercury switches are stored and indicate the date on which the storage began and how the container holding them is labeled.
- 4) E2-15: Please provide your recycle, sale, or disposal records for the catalytic converters for the last two years.
- 5) E2-17: Please provide further details on the type of centrifuge used, including the brand and capacity of the centrifuge. Please ensure that you include your method of management of the centrifuge solids, including the characterization, storage, and disposal of them.
- 6) E2-19: Regarding the tire pile, please describe your recycling of tires, how many are currently in storage, when you last recycled, and your current plans to recycle them.

Please submit the requested information to Linda Jacobson and Wilfred Lambert at the following addresses:

In your response you must provide a copy of the Certification Statement enclosed with this letter. The Certification Statement must be signed and dated.

Failure to provide the requested information or submittal of incomplete and/or false information may subject you to liability, including, but not limited to, the imposition of monetary penalties, pursuant to Section 3008 of RCRA, 42 U.S.C. § 6928.

The information requested by this letter must be provided notwithstanding its possible characterization as confidential business information or trade secret. However, you may request, in accordance with and subject to the limitations of 40 C.F.R. Part 2, treatment of certain information as Confidential Business Information (CBI). CBI requests must be made at the time of submission or such information may not be protected as CBI by the EPA. You may assert such claim by placing on the information at the time submitted, a cover sheet, or stamped or typed notice employing language so indicating, such as "Proprietary," "Company Confidential," "Trade Secret," etc. If the EPA determines the information you have designated meets the criteria in 40 C.F.R. §2.208, the information will be disclosed only to the extent and by means of the procedures specified in 40 C.F.R. Part 2, Subpart B.

If you require clarification of this request, please contact Linda Jacobson at (303) 312-6503 for technical questions. For any legal questions you may have, please contact Erin Agee at (303) 312-6374.
